R520 SERIES

Revival BOATS

You don't have to be big to make a BIG impression. Evolved from the ever-popular R525 cuddy, the R520 delivers centre-console flexibility but with added comfort and safety.

The versatile R520 is the perfect all-rounder that readily adapts to the needs of adventurous boating families. Fish, ski or explore in one of the most capable 17-footers on the market.

Revival Boats was founded upon a desire to create **versatile hulls** that responded to the needs of **Aussie boating families**.

All **Revival hulls** are **meticulously handcrafted** by a talented team overseen by one of **Australia's most respected boat builders**.

Every **Revival** presents **outstanding value** without sacrificing on quality or service and is backed by a **10 Year structural warranty**.

R520 SportZ

You want to do it all and need a boat that can keep up with your ever-changing boating lifestyle.

Revival's R520 SportZ hits the water with all the essentials and many so called 'extras' that other boat brands force you to pay for: bowrails, bilge pumps, internal lighting, under-floor fuel tanks, dry and wet storage and loads more.

R520 OffShore

Revival's R520 OffShore spices up the SportZ's already impressive inventory with fishing-focused inclusions to help you snare to snare the catch of the day: upgraded flip-bolster seats, tackle storage, bimini and clears, alloy or stainless rocket launchers, recessed rod storage, and more. Fish don't tell time or care about the weather, so shouldn't your new boat be just as mission-ready?

R520 WeekEnd

Revival's R520 WeekEnd is influenced by luxury caravans and campers offering versatile and easily-adaptable features to enhance your time afloat.

Boasting snug fitting covers and clears for overnight protection, these can easily be removed and stowed to create a comfortable open-air alfresco with wrap-around waterfront views. As expected, toilets, plush upholstery convertible interior storage and cockpit lighting come standard. Larger models up the ante with plumbed freshwater showers and even a handy sink.

Simply strap on the outboard of your choice and get it wet.
