R525 SERIES

Revival BOATS

Maximum potential in a compact, garage-friendly platform, the R525 series is the perfect soft-riding alternative to low-sided aluminium runabouts.

Sharing its hull with the versatile R520, its compact cabin with over-size hatch offers enclosed protection for the little ones with class-leading space, dedicated storage options and unrivalled versatility.

Length	Beam	Max Power	Tow Weight	People	Fuel
5.25m	2.20m	115hp	1250kg	6	100lt

Revival Boats was founded upon a desire to create **versatile hulls** that responded to the needs of **Aussie boating families**.

All **Revival hulls** are **meticulously handcrafted** by a talented team overseen by one of **Australia's most respected boat builders**.

Every **Revival** presents **outstanding value** without sacrificing on quality or service and is backed by a **10 Year structural warranty**.

You want to do it all and need a boat that can keep up with your ever-changing boating lifestyle.

Revival's R525 SportZ hits the water with all the essentials and many so called 'extras' that other boat brands force you to pay for: bowrails, bilge pumps, internal lighting, under-floor fuel tanks, dry and wet storage and loads more.

Revival's R525 OffShore spices up the SportZ's already impressive inventory with fishing-focused inclusions to help you snare to snare the catch of the day: upgraded flip-bolster seats, tackle storage, bimini and clears, alloy or stainless rocket launchers, recessed rod storage, and more. Fish don't tell time or care about the weather, so shouldn't your new boat be just as mission-ready?

Revival's R525 WeekENDER is influenced by luxury caravans and campers offering versatile and easily-adaptable features to enhance your time afloat.

Boasting snug fitting covers and clears for overnight protection, these can easily be removed and stowed to create a comfortable open-air alfresco with wrap-around waterfront views. As expected, toilets, plush upholstery convertible interior storage and cockpit lighting come standard. Larger models up the ante with plumbed freshwater showers and even a handy sink.

Simply strap on the outboard of your choice and get it wet.
